WHEREAS, the City of San Antonio Parks and Recreation Department completes design work in-house for many park capital improvement projects; and

WHEREAS, certain design tasks associated with electrical engineering, civil engineering or architectural services require expertise provided by outside consultant firms; and

WHEREAS, the ability to utilize consultant firms on an on-call basis will improve the time it takes to complete design projects, since this will reduce the weeks spent to select consultants on a project by project basis; and

WHEREAS, the firms of Debra J. Dockery Architects, P.C., Nored Shearer Architects and Beaty & Partners Architects, Inc. have submitted a proposal to perform these architectural services; and

WHEREAS the City staff has selected these firms to perform these professional services after review through the Consultant Selection Committee; and

WHEREAS, it is necessary to select these firms and authorize execution of professional services contracts for these professional services; **NOW THEREFORE:**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

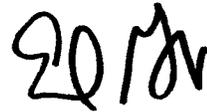

Section 1. The firms of Debra J. Dockery Architects, P.C., Nored Shearer Architects and Beaty & Partners Architects, Inc. are hereby selected to provide on-call architectural services in connection with various Parks and Recreation Department capital improvement projects.
