Name/Title (Caption as shown on agenda): Formal Bid for Audio Equipment 07-051-DS	
Description of Item(s) and Use: This procurement will provide the Henry B. Gonzalez Convention Center with new audio equipment such as power amplifiers, sound mixers other various audio components. The new equipment will update and enhance the capabilities of the convention center audio division to better serve the City agencies and other clients that utilize the Convention Center for meetings, training and special events. This equipment will be used specifically for conventions, City sponsored community functions, and client support. The current audio equipment is obsolete and outdated and is constantly in need of costly repairs. Many of those components have exceeded their usable life expectancy and have become costly to maintain and repair.
