SUBJECT: DBE Good Faith Effort Plan for Stahl Road Project

DATE: May 22, 2008

The DBE Good Faith Effort Plan submitted for the Stahl Road Project by the E-Z Bel Construction, low bidder, has been reviewed. The assigned goal on this project is 3% which is based on the availability of DBE Contractors in the San Antonio Metropolitan Statistical Area. This goal has been approved by the Texas Department of Transportation in the categories of hauling and heavy construction. Due to the overall DBE participation of 86% on this project, this plan has been approved.
